CTTO RAINSUIT

NO OFFICIAL SHOULD BE WITHOUT PROPER RAIN PROTECTION!!!

Work at enough outdoor track meets you eventually learn nothing's worse than being exposed out in the rain. The CTTO wants you to stay DRY! So... We asked the Baylor Track coaches, "Where can we find an officiating rainsuit -- upper AND lower body -- that's fully waterproof (water-**proof**, not "resistant"), lightweight, breathable, not too bulky, easy to tote, and most importantly, **INEXPENSIVE?!"**

The answer? O2 Rainwear made with something called 3M Propore Microporous Fabric. This is vastly superior to most other rainsuits. It's not vinyl or plastic. It's so soft & breathable, it feels like pajamas. But it's permanently watertight, and it slides right over whatever you're wearing. If the track team loved it, so will you! It weighs just a few ounces, and fits inside a tiny little sack! Word of warning, though: Do what the instructions say - Don't put it in the dryer!!! 1-year warranty.

CTTO Discount Price: \$28.75 (Normally \$45.00)
Includes top, bottom, and storage sack!

Gold CTTO Name Badge \$5.50: Safety Pin Attachment
\$5.50: Magnetic Attachment

John J. Ohnjohn
Baylor Track & Field Official

NOTE: Magnetic is better. It won't put holes in your shirt. The name will appear on the badge as it is written below. If your badge is lost, stolen or if your name changes, you will need to purchase another badge. If you lose the magnetic backing, another one can be purchased for \$1.
